

Aberford Interiors

We're Recruiting!

After an upsurge of interest in all things interiors, we're recruiting to build Aberford's team of Home Specialists, based from the beautiful Hicklam House, a rambling Queen Anne listed building.

Aberford Interiors is a specialist interior retailer offering a wide range covetable and beautiful products – everything from bath oil and tea towels through to Agas and whole kitchens.

We are very proud to be a Neptune by Aberford Interiors store and so a large part of our store and operation revolves around this relationship. We work to Neptune's high standards, but have an additional offering for our loyal customers who come back time and time again because of the service we offer as well as the simply gorgeous and extensive range of products we sell. We have also just launched a new shoppable website which is growing daily – so this really is an exciting time to join us!

We are looking for energetic, flexible and quietly confident new team members with a mature approach who can bring enthusiasm and positivity to their role and enjoy talking to customers. One minute you may be mixing Farrow and Ball paint, the next you might be explaining to a customer how Everhot and Aga ranges compare. It's a physically active role that requires a thoughtful approach.

We offer training and support at all levels, but it will be a massive advantage if you already love interiors and have some retail experience. We are always looking for good people to fit into other roles within our existing team, so if you think you might be right for us, drop us a line and tell us what you think you could bring to Aberford and what role you might enjoy.

Because this is retail, we're open 7 days a week and we work weekends and Bank Holidays which means you get to take your days off during the week. In return for your hard work and commitment, you'll receive 28 days holiday per annum FTE and our midweek hours are currently 9 to 5.30pm and 10-5pm on Sundays and Bank Holidays. Salaries start at £18,000, subject to experience with a performance related bonus paid twice a year and a generous staff discount scheme.

Interviews will be taking place over the next few weeks so please get in touch as soon as you can and before Monday 10th May.
